Columbia University Department of Medicine presents

2nd Annual Clinical Pearls in Internal Medicine

Learn from the

Leading Clinician Educators

March 24-31, 2013

Course Overview

This uniquely specialized and educationally intense ACCME accredited course presented by Columbia University Medical Center will immerse the Physician, Nurse and Physician Assistant in some of the most critical topics in internal medicine.

Designed specifically by Columbia Physicians, this conference takes place on board the Royal Caribbean's Allure of the Seas. Spend 25 fun & intense educational hours on cutting edge topics and issues that face you daily. The material will be presented in interactive lecture format. Learn directly from the leading Columbia Physicians on the following topics: Cardiology, Pulmonary Medicine, Infectious Diseases, Gastroenterology, Neurology, Nephrology, Hematology & Oncology.

Each specialty will have a case-based question and answer session using the Audience Response System (ARS) which will allow you (anonymously) to test your knowledge in the different areas of medicine.
